About Me:

I have been teaching for 5 years and  
this is my 3<sup>rd</sup> year here at Notre  
Dame. I lived in London, England for  
2 years and taught at a high school  
there. I studied French all through  
school and University. I have a yellow  
lab named Willow who lives back in  
New Brunswick with my parents  
where I grew up.

Here are a few things that I enjoy...
