April 2, 2022

Dear Notre Dame Families,

On March 28, 2022, the Ministry of Education shared International Travel Requirements:

Following Return to Canada, all staff, students, and families are responsible for understanding and adhering to all COVID-19 international travel requirements outlined by the Government of Canada, including those required following return to Canada.

Requirements currently include that adults and children (aged five and older) who travelled internationally must wear a well-constructed and well-fitting mask in indoor and outdoor public spaces, including K–12 schools, for the first 14 days after entry. This means that wearing a mask at school is not a personal choice for those who have travelled internationally for 14 days after entry.

Thank you for your support in this area.

Your Partner in Education,

Colleen Richard

Principal, Notre Dame School
