Classroom Expectations:

I believe that a classroom should be a comfortable, safe, and at times fun place to learn. I additionally feel that firm clear boundaries need to be set for a classroom to be successful. I expect that students behaviour should be as it is expected at home.

Students are to respect the supplies in this classroom and treat the space with kindness.

If negative behaviours occur, my following policy is in place:

1. Reminder & redirection
2. Speak privately and redirect
3. Phone call home
4. Office referral

As a class we collaborated and completed a list of classroom norms. These are displayed in our classroom as no excuse rules to follow.

2. Ask for help.
3. No excuses.
4. Listen.
5. Be Respectful.
6. Reach for your goals.
7. Raise your hand.
8. Keep a quiet work environment.
