

Welcome to Grade 5!

Introduction

My name is Mrs. McKenzie. This is my second year teaching 5th grade at Notre Dame School. I am excited to learn and grow with an amazing group of students! We are going to have a lot of fun learning and working together.

About me

I have been an elementary teacher in Dawson Creek for seven years. Being a teacher is rewarding because I have a passion for education and being part of the childhood learning experience. I am so blessed to do a job that I love!
