

MEET THE PRINCIPAL

Mrs. Richard

ABOUT ME

Hello, students and families!
I'm Mrs. Richard, your principal.

I'm passionate about education and supporting students. I believe everyone can excel in their learning and skills.

I've been an educator for over 30 years. I began as a classroom teacher and have taught Kindergarten through grade 5. I've also been the Learning Resource teacher.

I'm dedicated to remaining current with new educational practices, which has led me to complete my Special Education certification and I am currently taking my professional Master's in Education with a concentration in assessment.

As principal, I aim to create a supportive and collaborative learning environment where all students and staff feel valued and motivated to thrive and develop.

MY FAVORITES

- I love playing card games like UNO and SKIP-BO with my family.
- You might see me cheering on our local teams at a hockey game.
- I enjoy travelling to Calgary to see my daughter and shopping with her.
- I enjoy hiking in my spare time.

CONTACTS

Please reach out to me if you have any questions about your child or the school. Here are all the ways you can contact me:

- crichard@cispg.ca
- 250-782-4923
