## INTRODUCTION

July 12, 2024

Dear Parents and Guardians,

Welcome to Notre Dame School!

We at Notre Dame are pleased to contribute to your child/ren education. We aim to provide opportunities for them to grow and develop in all aspects of their lives, especially spiritually, academically, and emotionally. In addition, we strive to prepare students to think critically about the world and find their way as constructive, creative members of society. Notre Dame Staff is blessed and privileged to contribute to this inspiring, significant task.

I am fortunate to work alongside a dedicated, caring, and knowledgeable staff within the school and parish and supportive parents and families. Together, we can make a difference in our children's lives and spread our gifts throughout the school and local community.

This Handbook is intended to be a reference that will introduce you to our school policies and procedures. It will be updated yearly with additional changes from the current 'normal' school routines.

Our goal at Notre Dame is to be prepared for the unexpected and to keep you informed promptly. Our priority will continue to be you and your child/ren. Your health and well-being are the most important issues and will always be our priority. Please check our [school website](#) for Communicable Disease updates whenever you have questions. We will post updates as soon as they come to us in a timely manner.

If you have any other questions about the school or its programs, please feel free to contact me.

## NOTRE DAME SCHOOL – ABOUT US

### Our Purpose/Mission

"We, the teachers of Notre Dame School, choose as our mission to educate the whole child, providing knowledge and skills for lifelong learning within a Christian environment wherein all are accepted and valued and, as disciples of Jesus, to spread these Gospel values outwards into the broader community."

### Our Philosophy

Notre Dame School offers an academic program that complies with all requirements of the curriculum guidelines of the BC Ministry of Education. In addition, we offer programs from Kindergarten to Grade Seven in Learning Assistance, French, and Library-Learning commons. A wide variety of extracurricular activities are sponsored by the staff and enjoy a great deal of support from Notre Dame students.

Notre Dame School is committed to an educational program which strives to provide not only academic Excellence, but to foster a personal relationship with Jesus Christ. We work to build up an awareness of self within the Christian community and transmit the Gospel values of living in the work and making it a better place. We encourage this growth not only through our Christian Education programs but also in the day-to-day lives of staff and students.

The expectation of our Catholic community is that all of our children participate or be respectfully present in the religious life of our school both in the classroom and at religious celebrations held at the school or at Notre Dame Parish.

### Our Operational Structure

Our school is classified by the BC Government as a Group 1 Independent School, which means that all teachers and the Principal are British Columbia certified and all Ministry of Education curriculum standards are met. Authority for the operation of all Catholic Schools within the Diocese of Prince George is vested in CISPG, a legal body incorporated in 1957 as a Society. CISPG includes the Bishop, a Board of Directors, and the Superintendent of Schools.

As a Group 1 school, Notre Dame School receives 50% operational funding from the government and no capital funding. Tuition fees make up a portion of the remaining funding required to operate the school. In order to retain its standing as a Group 1 school, the school is evaluated regularly by the Ministry of Education. These reports have been consistently very positive. The 50% funding received from the Ministry is dependent on Notre Dame School meeting and exceeding the basic curriculum, as well as other physical and safety requirements.

### Our Staff

The dedicated staff of Notre Dame School includes British Columbia certified teachers and Principal, trained education assistants, and, where necessary, contracted specialists. We are dedicated to fully implementing the

BC curriculum in a Catholic environment. A listing of our staff and contact information can be found on our [Notre Dame School website under staff](#).

## Our School Council

---

Notre Dame School Council, along with all the school councils in the Prince George Diocese, is constituted by the authority of CISPG and is directly responsible to CISPG and the Bishop. The Council consists of a minimum of six members and the pastor. Council members are elected for a two-year term, may complete up to three consecutive terms, and must be practicing Catholics. The Council is responsible for all areas of the management and operation of the school in accordance with the constitution, bylaws, guidelines, directives, policies and regulations of CISPG.

Parents/Guardians are an integral part of the school community and are invited and encouraged to become involved in the activities and endeavors of the school. The School Council is the primary avenue for involvement of parents/guardians in the school. It is the responsibility of the School Council to approve and direct any parent group working or acting on behalf of the school.

Regular monthly meetings are held and are open to parents/guardians, with the exception of in-camera sessions, which focus on confidential matters. If you wish to make a presentation as an individual or group to Council, you must make your request in writing at least one week prior.

The officers of the Council are; Chairperson, Vice-Chair, Treasurer and Secretary. Subcommittees may include Finance, Maintenance, as well as various committees beneficial for Notre Dame school. You do not need to be an elected member to work on the subcommittees. If you are interested in volunteering for any of the subcommittees, please contact the Council Chairperson.

Please visit our [school website](#) under Our School, School Council, for names and contact information of the Notre Dame School Council members. As well, under School Council, please see the local school policies.

## Our Faith Formation

---

Every student enrolled at Notre Dame School participates in the religion program, [Alive in Christ](#) (Grades 1-7), [Allelu](#) (Kindergarten) and [The Body Matters](#) which the Prince George Diocese approves. The [Alive in Christ](#) and [Allelu](#) programs are a religion curriculum that focuses on the life, mission and saving work of Jesus Christ. Scripture is presented in ways that encourage students to learn about the people and stories of the Bible and listen to the voice of God. [The Body Matters](#) program is a teaching tool intended to support and be inserted into already-existing curricula, [Alive in Christ](#) and [Allelu](#).

One of the most integral parts of our school community is the celebration of Mass. School Mass is usually held on the second Friday of each month. Students in each grade have an opportunity to play an active role in Mass throughout the school year. Parent/Guardian attendance at school Mass is encouraged whenever possible.

## NOTRE DAME SCHOOL OPERATIONS

### Admissions

Parents of students who wish to enter Notre Dame School must fill out an application package. Registration will be considered when the application form is complete, and the required documents are submitted.

CISPG *Policy 311* dictates the priorities for admittance into CISPG Schools:

- 1.) Students presently enrolled in the school.
- 2.) Students with siblings presently enrolled in the school. (It is understood the school will make every effort possible to accommodate Catholic students.
- 3.) Students whose families are Notre Dame Parishioners (defined as practicing Catholics).
- 4.) Non-Catholic families that accept the goals and philosophy of the school and sign the Family Statement of Commitment.

Catholic student/family applications must be accompanied by Baptismal, First Communion and/or Confirmation certificates where applicable. While priority is given to the children of Catholic families who participate in the faith life of Notre Dame Parish, we welcome children of other faiths/beliefs, provided their families accept their child's participation in our religious activities. The final decision to admit a child resides with the Admissions Committee and is conditional upon an interview with the parents/guardians and the student. Every child's needs are complex. As stated in CISPG's Family Statement of Commitment, Notre Dame School reserves the right to re-evaluate your child's enrolment if their learning needs are not being met despite our best efforts.

Each February, current families are required to complete a re-registration form declaring their intent to return to Notre Dame School in the following school year. This enables staffing decisions and budget considerations to be made in preparation for the coming school year.

### Registration

If interested in registering your child at Notre Dame School, please contact the office and make an appointment with the school Principal. We accept applications of school age children throughout the school year. Kindergarten Registration begins in January of each year. Only those children who will be 5 years of age by December 31 of the following school year need apply.

#### **For the appointment, please ...**

1. Bring the most current report card.
2. Bring any relevant information such as individual education plans (IEPs) and/or other professional reports (Psych Ed., Occupational Therapy, Behaviour Plans, etc.) for review and discussion.
3. Inform the administrator if any testing has been planned in the future and the nature of the testing. Failure to disclose information regarding any testing may result in an application being withdrawn after acceptance has been granted.
4. Bring the child to meet the Principal and participate in a tour of the school.

## Attendance

---

Parents/Guardians are encouraged to ensure their child arrives at school on time. Students who arrive late often miss important instruction and interfere with others' learning. When students arrive late, they are to report to the office and sign in.

If your child is absent for any reason, parents/guardians must contact the school either by phone (250 782 4923) or email (notredame@cispg.ca). After morning attendance is complete, the office staff will contact parents/guardians of absentees who have not contacted the school to ensure the student is safe. Students who are absent or late will be required to bring a note to the office (can be written in the agenda), even if a phone call has been made.

If you wish your child to leave the school grounds at any time between the welcome bell and the dismissal bell, please inform the school by phone, email (notredame@cispg.ca), or a written note. All students must sign in and out at the office.

To qualify for provincial government funding, students must be in attendance for a minimum of 600 hours of instruction from September to May 15. The funding is based on the students' actual days in attendance. Because of holidays or other reasons, a student who is in attendance for less than 600 hours qualifies for partial funding only.

# PARENT/GUARDIAN HANDBOOK

Notre Dame School

2025 - 2026

Dated and signed notes stating the reason for absences are required for funding calculations (personal holidays do not qualify as an acceptable absence). The days a student is absent due to a personal holiday will be subtracted from the total grant monies. In these cases, parents may be asked to reimburse the school the grant monies lost due to absences ([See CISPG Policy #311 – Family Statement of Commitment](#)).

Chronic lateness or absences can adversely affect the learning of a child. Therefore, students who are late or absent are responsible for meeting with the teacher to review what was missed when away, complete the missed assignments, and/or any requirements needed to achieve the set objectives of learning.

## Morning & After School Care

Towards the end of the care period, students will be given an opportunity to do quiet activities such as reading, crafts and homework.

*Notre Dame School*

*2025 - 2026*

- Support the school financially (tuition payment, fundraising events)
- Support the school through service (volunteering) whenever possible
- Ensure children attend school and are on time
- Meet children after school in a timely manner
- Review the website on a regular basis for newsletters and other communication
- Be aware of social media and its impact on the school, students, staff and community and use proper channels to solve problems

## Communication

As parents/guardians are the first educators of their children, the school and home need to engage in regular communication. We strive to ensure parents/guardians are well informed about what is happening at Notre Dame School through monthly newsletters, weekly emails, special notices, the yearly calendar, and our [website](#). The majority of our communication is via email; please make sure you have a current email address at the school office. Be sure to check the school website and your email regularly. Classroom teachers may be contacted by parents/guardians via a note in the student agenda, email, or by leaving a message at the school office.

## Visiting the School

Parents are encouraged to visit the school and keep informed of their children's progress. At specific times during the school year, parents receive invitations for various parent activities. When visitors come into our school during instructional hours, they must report to the school office and sign in. If they desire to see a specific teacher, the office staff will be happy to check schedules and make a mutually convenient appointment.

## Parent/Guardian Concerns

At Notre Dame School, we encourage open communication between parents and staff. It is important that concerns are brought forward. We cannot address issues we do not know exist, and we want to work with you. It is easier to handle a concern before it escalates to become a serious problem. Parents/guardians and teachers are expected to communicate in a timely manner regarding any concerns they may have.

When parents/guardians have a concern, it is important that they confer with the teacher first. If the concern cannot be resolved here, the Principal will be informed to reach a solution.

The following [CISPG Policy 310](#) outlines the formal procedure used to address parental/guardian complaints against school personnel:

- **Step 1:** A parent or guardian representing a student and having a complaint about personnel should contact the person in question as the first step to resolution.
- **Step 2:** If a resolution is not affirmed or if the parent or guardian does not wish to meet with the person in question, the parent or guardian shall request a meeting with the Principal. A record of the meeting shall be made by the Principal.
- **Step 3:** The Principal will then investigate the complaint or refer the complaint to an outside agency, at their discretion.

# PARENT/GUARDIAN HANDBOOK

*Notre Dame School*

2025 - 2026

- **Step 4:** The Principal will then decide either to facilitate a meeting between all parties or refer the complaint to CISPG. The principal or parents/guardian, in writing, can request the matter be presented to the CISPG office. The Principal is to keep the School Council aware of any serious situation.
- **Step 5:** If the parent or guardian does not receive satisfaction from the CISPG office within Step 4, an appeal, in writing, can be made to the CISPG Board of Directors.
- **Step 6:** The CISPG Board of Directors will arrange for an investigation of the appeal ([Policy 470](#)) and will provide a decision on the matter in writing and communicate this to the parent or guardian on a timely basis.

## Notre Dame Parent Support Group

---

The Notre Dame Parent Support Group (ND PSG) role is to support the Principal and school staff in meeting the needs of the students at Notre Dame School.

Financial and Physical Support shall be provided by:

- Conducting fundraising functions and programs to aid in the provision of additional educational, recreational and cultural development for the school's students.
- Involving as many parents or guardians of the students as possible and encouraging new parents/guardians to become a part of the school community.

The ND PSG operates under the following limitations:

- The actions of the ND PSG shall be in accordance with the policies established by the Notre Dame School Council.
- The ND PSG shall not be involved in the day-to-day operation of the school. These matters remain the responsibility of the Principal and the teaching staff.
- The general membership shall be free to make suggestions regarding expenditures. However, to avoid conflicts, all fundraising projects and the disposition of funds raised for the school will be subject to the approval of the Principal and the school council.

## Volunteers

---

[CISPG Policy 309](#) states: "Once a student has been admitted to the school, parents/guardians will be required to participate in the various activities of the school, including fundraising". Volunteers are necessary and very much encouraged within the school and in a variety of ways: classroom, hot lunch, field trip, fund raising, and for field trips as supervisors of small groups of students ...

All volunteers must complete the CISPG volunteer application form (available at the school office and included in the student application form), sign the confidentiality form, submit a Criminal Record Check and other applicable forms (driver's abstract, vehicle insurance and driver's license).

Criminal record checks are completed through the RCMP (forms can be found in the office). This takes time, so if you are interested, fill out the forms at the beginning of the school year. It is a good idea to check each year to see if you are required to do the process again, as these must be done every three years.

Volunteers must abide by the Volunteer Code of Conduct, which states that all Notre Dame School volunteers ...

# PARENT/GUARDIAN HANDBOOK

*Notre Dame School*

2025 - 2026

- Will be supervised by a school employee and must follow that person's directions.

- Must deal judiciously with students and defer to the teacher's authority in all matters relating to the classroom.
- If uncertain about their role or any other matter, they will seek advice from the teacher with whom they are working or the Principal, as appropriate.

Volunteers must also abide by the [Volunteer Confidentiality Agreement](#), which states that all students, staff and others working in the school have a right to expect that information about them will be kept strictly confidential by volunteers. Therefore, volunteers ...

- Will not communicate anything they learn about any student or anything that they observe in the course of volunteering to anyone other than appropriate school employees.
- Will not share information about students, even with others who may be genuinely interested in a student's welfare, such as social workers, recreational leaders, family friends, physicians, etc., except when legally required to do so.
- Will keep anything they learn about school employees or other volunteers strictly confidential.
- If asked for information concerning a student or staff member(s), will refer the request to the teacher or Principal.
- If in doubt about whether they may divulge information concerning a student or staff member, will consult with the school principal.

A clear mandate/policy is transparent for all in the school community. It also includes:

- *Acceptable behaviours*, which are behaviours that do not cause physical, emotional, social or academic harm to another.
- *Unacceptable behaviours*, including bullying, cyberbullying, harassment, intimidation, threatening or violent behaviours while at school, at a school-related activity, or in other circumstances where engaging in the activity will have an impact on the school environment.
- *Consequences of unacceptable behaviour*, considering the student's age, maturity and disabilities/divers abilities, if any.

### Policy:

The School is fully committed to the protection of students' physical safety, social connectedness, inclusiveness and protection from harassment and all forms of bullying, regardless of a person's appearance, gender, race, culture, religion, ethnicity, sexual orientation or gender identity. Bullying and harassment will not be tolerated, and offenders can expect serious disciplinary consequences up to and including dismissal or expulsion. The School commits to taking all reasonable steps to prevent retaliation by a person against a student who has made a complaint of a breach of the policy.

The established procedures specifically address harassment and bullying in terms of definition, and include the roles, responsibilities and procedures for staff and students in dealing with real or perceived incidents of bullying and/or harassment between students. Staff are expected to understand and follow the policy.

### Definitions:

*Bullying* – Bullying is intentional, hurtful and aggressive behaviour that makes others feel uncomfortable, scared or upset. It is almost always used as a way of having control or power over their target, and it is often based on another person's appearance, gender, race, culture, religion, ethnicity, sexual orientation or gender identity. Generally,

# PARENT/GUARDIAN HANDBOOK

Notre Dame School

2025 - 2026

harassment is considered to have taken place if a person knows or ought reasonably to know the behavior is unwelcome.

Bullying has three key features, all of which must be present: there is a clear power imbalance between the individuals involved, there is/was an intention to cause harm, and the objectionable behavior continues and gets worse over time.

Bullying is different from conflict.

- **Conflict** is a disagreement or argument in which both sides express their views.
- **Bullying** is negative behavior directed by someone exerting power and control over another person.

## ***Types of Bullying:***

- **Physical** – includes hitting, kicking, tripping, pinching and pushing, or damaging property.
- **Verbal** – includes name-calling, insults, teasing, intimidation, homophobic or racist remarks, or verbal abuse.
- **Social and Emotional** – includes behavioural actions designed to harm a student's reputation or cause humiliation, like lying and spreading rumours, negative facial gestures, playing mean jokes to embarrass or humiliate a student, mimicking a student in a mean way, encouraging social exclusion of a student, etc.
- **Cyber** – includes taunting or humiliation through social media sites (Facebook, Twitter, etc.) of the Internet, cruel websites targeting specific youth, humiliating others while playing online games, verbal or emotional bullying through chat rooms, instant message or texting, posting photos of other youth on rating websites, etc.

**Mean behavior** – Children may try out behaviors to assert themselves, sometimes saying or doing mean things such as making fun of others, using a hurtful name, taking something without permission, leaving a child out, or "budging" in line. If it is mean behavior, usually:

- it is not planned and seems to happen spontaneously or by chance;
- it may be aimed at any child nearby.
- the child being mean may feel bad when an adult points out the harm they've caused.

## **Procedures:**

The Principal will annually review these procedures with staff and students.

All students and adults in the school are expected to:

# PARENT/GUARDIAN HANDBOOK

*Notre Dame School*

2025 - 2026

- Be respectful of self, others, and the school.
- Support the school in making it a safe, caring, and orderly place.
- Act in a manner that brings credit to self, others and the school.
- Report incidents of bullying or harassment.

All students and adults in the school shall not:

- Create an unsafe, uncaring and disorderly school environment.
- Engage in behavior that is considered bullying, cyberbullying, harassment, intimidation, or threatening, nor act in a violent manner.
- Engage in acts of retribution against a person who has reported a bullying or harassment incident.

With regard to prevention, the school will:

- Teach age-appropriate social skills to develop healthy interpersonal relationships.
- Educate students on their responsibility to report and take an active stand against harassment/ bullying acts.
- Foster positive classroom environments and positive staff/student relationships.
- Set clear expectations of behavior and personal responsibility.
- Design specific classroom lessons devoted to teaching acceptance and tolerance.
- Expect staff to role model appropriate behaviours and attitudes, favouring a culture of respect.
- Encourage parent education on bullying (i.e. information in newsletters or at assemblies, with guest speakers, in handbooks, and/or on the school website).

When adults see “mean behavior” (as previously defined), they should not ignore it. They should respond quickly, firmly, and respectfully to stop the behavior, let students know that their actions are hurtful, and redirect children to more positive behavior. This quick response stops children from developing a pattern of mean behavior as their way of interacting with peers and prevents mean behavior from escalating into bullying.

In the event of breaches of the expected code of conduct with regard to bullying and harassment, the Principal and staff will:

- Support students who seek help.
- Deal directly and promptly with harassment/ bullying behavior.
- When a student is deemed to be bullying or harassing another, determine the consequences:
  - for inappropriate conduct.
  - that are consistent and fair.
  - by considering the following: age and maturity and disabilities/divers abilities, if any of individuals involved, the degree of harm done, incidences of past or continuing pattern(s) of (mis)behavior, relationship between parties involved and context in which incident(s) occurred.
  - that are preventative and restorative, rather than merely punitive.
- Obtain parental collaboration and support in responding to the harassment/ bullying behavior.
- Ensure that follow-up occurs and assess whether the response to the harassment/bullying incident has led to the desired outcome.
- Increase supervision of identified high-risk areas in the school building.

# PARENT/GUARDIAN HANDBOOK

*Notre Dame School*

2025 - 2026

- Develop a system to track harassment/ bullying incidents at the school.

The School will take reasonable steps to prevent retaliation by a person against a student who has made a complaint of bullying or harassment.

No individual shall be subject to reprisal, interference, penalty, or harassment as a result of reporting a complaint of harassment or bullying that the complainant reasonably believed to be valid.

Furthermore, it is recognized that false or malicious complaints may damage the reputation of or be unjust to others, and therefore, the complainant may be subject to disciplinary action.

*Notre Dame School*

2025 - 2026

If your child is not feeling well, it is best to keep them at home to prevent the spreading of germs. However, the school reserves the right to call and have parents pick up their child when the child is experiencing vomiting, severe coughing or fever.

Parents will be notified in case of illness or injury. If unable to reach the parent, the school will call the emergency contact. If unable to reach the emergency contact, the school may take such action as calling an ambulance. All serious injuries are documented and kept on file.

## Communicating Student Learning

Communicating student learning occurs throughout the school year. Three written reports are issued; as well, two student-led conferences are held each school year. In addition, all classrooms use an electronic platform to share student learning and progress. Kindergarten to grade 7 use the student agendas to maintain communication between the school and home.

If a parent/guardian has any concerns regarding their child's progress at any time, they are encouraged to contact the teacher via email or by calling the school. All appointments must be made in advance.

## NOTRE DAME SAFETY PROTOCOLS

### Field Trips

The school strictly follows [CIS Policy # 338](#) regarding any school-sponsored field trip. Field trips are an integral part of the education program at Notre Dame School as they provide children with unique experiences within the context of the curriculum. Together, children discover new insights into a learning concept with their classmates. A permission letter will be sent home, including specific information for each field trip. The permission letter will indicate the curriculum area of study, location, transportation, supervision, cost, and date and time of the field trip. CIS policy requires that the legal parent/guardian's written permission be obtained before students are permitted to leave the school. Permission must be granted by signature on the official field trip permission slip. Using a specific form, we ensure that parents/guardians have received pertinent information concerning the trip. Declaration of medical conditions, emergency numbers and contact name must be provided as well. Transportation for field trips may be by school bus or walking unless special arrangements have been made through the office.

Fieldtrip procedures beyond those stated in the CISPG [fieldtrip policy](#):

1. Supervision When on a Field Trip

The teacher or teachers must accompany the students and provide adequate supervision throughout the trip. Students are responsible to the Head Teacher and/or Supervisors for their behaviour.

Teachers should plan for supervisor ratios as per CISPG policy. A minimum of two adults is required for any field trip.

## Technology

Parent/Guardian permission must be obtained before students having access to the internet. The teachers monitor internet use at all times. Access to the internet allows students the opportunity to learn and share new information and concepts.

Notre Dame School is equipped with an iPad cart of 30 iPads and a Chromebook cart with 30 Chromebooks shared between kindergarten to grade 7. For the use of school iPads and Chromebooks, please see the student “*Code of Conduct*” contracts included in the [registration packages](#) and on the [website](#).

Notre Dame School may monitor the use of technology, including all sites accessed by the user. Therefore, users must not expect privacy regarding their use of the Internet or email. Incorrect use of the internet and technology may result in student privileges being restricted or suspended at the teacher and/or principal's discretion. All students must have a signed [Internet Use Agreement Form](#) on file in the school office.

### Improper Activities

Students may not share, spread, or knowingly receive harassing, bullying, sexually explicit, threatening, or illegal information, including offensive jokes or cartoons, through any technology. Technology may not be used to access, create, transmit, print, or download information derogatory, defamatory, obscene, or offensive, including information based on race, colour, national origin, sex, sexual orientation, age, disability, religion, or political beliefs. Technology must not be used to record (audio or video) any individual (students or staff members) without their expressed permission and only for purposes related to learning activities.

Students engaging in improper activities with any piece of technology may have their devices confiscated and may lose internet and technology privileges. In addition, if necessary, [CISPG Policy 313 – Suspension & Expulsion](#) may be followed.

### Cell Phones

If brought to school, a cell phone permission form must be filled out and signed. Cell phones are to be turned off and placed in the locker or book bag during school hours. If not properly stored or if used for the wrong purpose, cell phone privileges will be withdrawn. The teacher may confiscate cell phones and may be given to the Principal if cell phone expectations are not followed. Cell phones will be returned to the student on the first confiscation of the school year; subsequent confiscations will require a parent or guardian to collect the cell phone from the Principal. Continued violation of cell phone policy will result in students not being allowed to bring their cell phones to school. If necessary, [CISPG Policy 313 – Suspension & Expulsion](#) may be followed.

Parents/Guardians should not call student cell phones as they are not to be accessed during the school day. However, if parents need to contact their child, please call the office, and a message will be delivered to the student. In cases of emergency, the office will contact the parent.

Students have permission to use the school telephone at the discretion of the Principal, secretary or teacher.

Other electronic devices must also be turned off and left in the locker or book bag until the student is off school property. At times, technology is used within the classroom under the guidance and supervision of the classroom

teacher. Letters outlining such protocols will be sent home for parents to read and sign. Notre Dame School cannot be held responsible for lost, stolen or damaged items.

## Vandalism

According to [CIS Policy # 316](#), "a student(s) found guilty of destroying or damaging school property will be liable for suspension until his/her parents or guardian makes restitution for the damage, or until arrangements satisfactory to the school and local school council are made." Vandalism is defined as "willful destruction or defacement of things" (Gage Canadian Dictionary, 1984)

## Threats to Student Safety – Fair Notice

As part of the Provincial Erase Bullying Program, Notre Dame School accesses outside agencies at times where there is any threat to a student's safety. These agencies, such as Safer Schools Together, do online searches of social media accounts on behalf of the school. These searches are looking for content that may help determine the level of severity of any possible threats to student safety.

### What behaviours initiate a student threat assessment?

A student threat assessment will be initiated when behaviours include, but are not limited to, severe violence or violence with intent to harm or kill, verbal/written threats to harm/kill others, Internet website and/or social media threats to harm/kill others, possession of weapons (including replicas), bomb threats and fire setting.

### Duty to report.

To keep school communities safe and caring, staff, parents, students and community members must report all threat-related behaviours.

### What is a Threat Assessment Team?

Notre Dame School has a Threat Assessment Team which is multi-disciplinary. The team may include the Principal, CISPG's Safer Schools Coordinator, school counsellor, police, and youth mental health personnel.

### What is the purpose of a student threat assessment?

The purposes of a student threat assessment are:

- To ensure the safety of students, staff, parents and others.
- To ensure a full understanding of the context of the threat.
- To understand factors contributing to the threat makers' behaviour.
- To be proactive in developing an intervention plan that addresses the emotional and physical safety of the threat maker.
- To promote the emotional and physical safety of all.

### What happens in a student threat assessment?

All threat-making behaviour by a student shall be reported to the Principal, who will activate the protocol for the initial response. Once the team has been activated, interviews may be held with the students(s), the threat maker, parents and staff to determine the level of risk and develop an appropriate response to the incident. Intervention plans will be developed and shared with parents, staff and students as required.

# PARENT/GUARDIAN HANDBOOK

*Notre Dame School*

2025 - 2026

## **Can I refuse to participate in a threat assessment process?**

All parties need to engage in the process. However, suppose for some reason there is a reluctance to participate in the process by the threat maker or parent/guardian. In that case, the threat assessment process will continue to promote a safe and caring learning environment.

## **Illicit Drugs**

---

Notre Dame School observes a policy of zero tolerance towards illicit drugs.

### **Smoking/Vaping**

Smoking or using vapor devices is prohibited in all CISPG Schools and during any school-sponsored activity. Any student found smoking, vaping, or with tobacco or vaping materials will receive a minimum one-day suspension from school. If the problem persists, the length of the suspension will escalate, up to and including expulsion. If necessary, [\*CISPG Policy# 313\*](#) will be followed.

All vaping devices or products will be considered and treated as smoking paraphernalia and thus subject to the same restrictions and consequences.

### **Drinking/Drugs**

Any student involved with or in possession of illicit drugs at school or a school-sponsored event may be expelled. This includes cannabis, which is illegal for use by youth under the age of 19.

Any student under the influence or in possession of alcohol while at school or a school-sponsored event may be expelled.

## **Emergency Management Plan**

---

Students are instructed and required to practice emergency preparedness procedures (fire, earthquake, and lockdown drills) in a safe environment throughout the school year. In addition, each classroom is equipped with a red safety backpack that includes first aid supplies, emergency contacts, health information and other pertinent personal information.

In an emergency, parents/guardians will be alerted via the local radio station, mass emails, and/or the school website. We require that parents/guardians refrain from calling the school, as phone lines must remain open for emergency personnel.

## **Entering the School**

---

Any persons entering the school must be buzzed into the school at the front entrance by a staff member. For the security and safety of everyone, all visitors (including parents/guardians) must report to the office before visiting a classroom or using our facility during school hours. Entry to the school through any other door is not permitted. All visitors must sign in and wear a visitor's tag unless otherwise informed.

# PARENT/GUARDIAN HANDBOOK

*Notre Dame School*

*2025 - 2026*

Parents/Guardians may leave lunches, homework, etc., at the school office. In addition, students will be called to the office to collect items that do not interrupt classroom instruction.

## Supervision

All staff members are available outside for morning supervision beginning at 8:30 am each instructional day. In addition, students are supervised by staff during recess, lunch, and after school until 2:50 pm.

**If your child is to be picked up after school by anyone other than the parents/guardians, please notify the school office via phone, written note, or email.**

## Traffic and Parking

Everyone is required to follow traffic rules and patterns on Notre Dame School property. Extra attention must be given at the beginning and end of the school day when students enter and exit the property. The Notre Dame Staff Parking lot is closed in the morning and at the end of the day for student safety. The large gate at the parking lot will be open for students to exit. This will allow for easier student entry in the morning and leaving at the end of the day. Please park along the road and walk to the gates or have your child meet you on the sidewalk.

**Crosswalk Safety:** The school pays and hires a crossing guard for student safety. Please remind your child(ren) to use the crosswalk. Also, when having your child cross the road to meet you, please encourage the students to use the crosswalk for student safety.

## Extreme Cold Weather Policy

WorkSafeBC requires employers to perform a cold-stress assessment and implement a plan to protect workers from the dangers of cold exposure.

Notre Dame School recognizes the stress extreme cold temperatures, including wind chill, can have on staff and students.

When the ambient temperature or wind chill temperature is **-30 degrees C** or below:
