

meet the TEACHER

Ms. Hannah Ro

Welcome to 4th Grade!

I am thrilled to welcome you and your child to Grade 4! This year marks an exciting chapter in your child's educational journey, as they begin to step into the world of intermediate learning. Fourth grade is a time when students become more independent and confident. In our classroom, my most important goal is to create a safe, inclusive learning environment where every student feels respected, heard, and supported. I believe that when students feel a true sense of belonging, they are empowered to take risks and grow academically, socially, and spiritually. I look forward to partnering with you to ensure this year is not only memorable but truly meaningful for your child. Here's to a wonderful year ahead, filled with learning, laughter, and celebrations. I can't wait to learn and grow alongside your child!

About Me

Hello Families!

My name is Hannah Ro, and I'm excited to be your child's Grade 4 teacher this school year. I grew up in Burnaby and spent most of my life there before moving to Dawson Creek last year with my husband.

I completed both my Bachelors of Science and Bachelors of Education at UBC, and received a Post-Bachelor's Diploma in English Language Learners from Queen's University. I began my teaching journey in high school Science and Chemistry, but eventually found my passion in teaching primary.
