

Welcome to Grade 6

Meet the Teacher

Ms. Rose

About Me

Hello, and welcome to Grade 6!
My name is Vicki Rose and I am excited to be your teacher this year. I am local to Dawson Creek - in fact, I am a Notre Dame School alumni! I have two boys - you probably know them :) I love to read, hike, and hang out with my family. I run on coffee and sparkling water. I look forward to meeting you, and spending a great school year together!

My Classroom

I love creating a relationship-based classroom, where everyone is included, valued, and respected. Fostering independence, community, and mindfulness are markers of success. We're going to grow into phenomenal people as we work together!

My Teaching Experience

I have a teaching degree in Secondary Education, and have been a high school teacher for 15 years. I taught 2 years at St. Joseph Catholic High School in Grande Prairie, and the remaining time has been at DCSS - South Peace. I've taught everything from Physics, to Science, to English, to History, and more! You name it, I've probably taught it. I'm excited for a new adventure in our grade 6 classroom. And am equally excited to be back as a part of the Notre Dame Family!

We're going to have a great year!
