

Welcome ...

Hi, Notre Dame Families! 🙌

I'm Mrs. Richard, and I am blessed to serve as the Principal of Notre Dame School.

Whether your family is joining us for the first time or has been part of our community for many years, I am excited to welcome you to another year of faith, learning, friendship, and growth.

A Little About Me

I grew up in Nova Scotia and began my teaching career in British Columbia in 1993. Over the past 33 years, I have been a classroom teacher, Learning Resource Teacher, and school administrator.

Outside of school, my favourite role is being a Mom and wife. I love spending time with my family, playing card games, hiking, quadding, and enjoying the outdoors.

WHAT MATTERS TO ME

I believe children thrive when they know they are loved, valued, challenged, and supported.

My Hope for Our Year

- My hope is that Notre Dame continues to be a place filled with faith, joy, curiosity, compassion, and belonging—a place where children are excited to learn and know that there are adults cheering them on.
- Together, as families, staff, parish, and school, may we help each child discover their gifts and become the person God calls them to be.
