About Me

Welcome to 5th grade! I am Mrs. McKenzie and I am looking forward to another year of growth and learning with a wonderful group of students! My classroom is built on kindness, respect, growth mindset, and encouragement. I enjoy creating lessons that are engaging and active so students can learn in different ways. I believe strong relationships with students and families help children feel confident and successful at school.

My Teaching Career

I have been teaching elementary students for 9 years and every year I am excited to meet new students and watch them grow! I am very grateful that I get to work with kids every day!

Fun Facts

- I love to travel to sunny places with my husband and family!

- I enjoy reading books and watching documentaries to learn about history and the world.
