## all about me

Hi there! I'm Mrs. McLain, and I'm so excited to welcome you and your child to Kindergarten! This will be my fourth year teaching Kindergarten, and I feel so lucky to spend my days learning, laughing, and growing alongside my students. I love creating a classroom where children feel safe, supported, and excited to learn, explore, and try new things.

When I'm not at school, I enjoy reading, spending time with my family and friends, and dreaming up my next travel adventure! I'm looking forward to getting to know your child and making this a wonderful year filled with learning, friendship, and lots of special memories!
