

Meet the Teacher

Mrs. Mountifield

Primary Teacher

About Me

Welcome to Grade 2! I'm Mrs. M, and I'm excited for my seventh year of teaching at Notre Dame. One of my favourite things about teaching is creating a classroom where students feel safe, valued, and excited to learn. Together we will work hard, make mistakes (that's how we grow), encourage one another, and celebrate our successes!

I can't wait to see all that we learn and accomplish this year!

Fun Facts

- * I love owls.
- * I enjoy watching movies, playing games, and travelling with my family.
- * I like reading, listening to music, and walking in nature.
